Important Information

1. HSBC Premier is an exclusive product/service package of HSBC Bank A.Ş. and services vary per country depending on HSBC's service offering in that country, countries' local regulations and legal arrangements. To qualify for primary wealth criteria criteria of HSBC Premier, you should have savings or investments of at least TRY 250.000. Your balance may consist of TRY/FX Time or Demand Deposit, Mutual Funds, Pension, TRY/FX Treasury Bills/Government Bonds/Eurobond, Discretionary Portfolio Management and/or Equities.
2. Modern Account, interest rate is accrued daily for the balances between TRY 3.000, USD/EUR/GBP 2.000 and TRY 1.000.000, USD/EUR/GBP 150.000. No interest is applied to the sum of your balance up to TRY 3.000, USD/EUR/GBP 2.000 in your current account. The rate states annual gross interest rates which will be applied to your Modern Account on a daily basis. From the first Modern Account opening day, welcome interest rate is applicable and remains unchanged for the period defined by the Bank. At the end of this period, standard interest rate starts to accrue to Modern Account. Each customer can benefit from the welcome interest rate only once. If a customer closes his/her Modern Account and then reopens another Modern Account, he/she cannot benefit from the welcome interest rate. HSBC Bank A.Ş. has the right to change or terminate the application any time about advantageous TRY interest rate for Premier customers who meet the Premier wealth criteria on Modern Account. HSBC Bank A.Ş. reserves the right to change interest rates.
3. The mentioned services are provided by HSBC Yatırım Menkul Değerler A.Ş. HSBC Bank A.Ş. transfers these orders to HSBC Yatırım Menkul Değerler A.Ş. in scope of reception and transmission of orders license, according to their risk-return preferences.
4. All HSBC Mutual Funds are managed by HSBC Portföy Yönetimi A.Ş. Mutual funds are not deposits. Mutual funds may involve various investment risks including loss of capital. Nominal value of the securities that are invested in funds may increase as well as decrease and capital losses may occur. The past performance of mutual funds is not a guarantee for future returns, prices may increase or decrease. Mutual funds investing currency denominated instruments may be exposed to currency risk including capital loss due to fluctuations in exchange rates. Investors should select the most suitable funds for themselves according to their risk-return preferences. Prospectus, bylaws and investor information forms of funds can be found at www.hsbcportfoy.com.tr, www.kap.gov.tr and HSBC Bank A.Ş. branches. HSBC Bank A.Ş. does not provide any Investment Advice and Portfolio Management service.
5. You may buy-sell gold through TRY, USD, EUR and GBP current accounts and open a gold current account and execute buy-sell transactions with 0.01 gr and its multiples.
